

Rural Connections brief

A practical community program: meet people at shows, keep useful information online, and take recurring rural connectivity barriers to people who can change them. This is not a grant application.

Three pillars

- **Rural Connection Hub** — travelling presence inside established agricultural shows. Free temporary Wi-Fi, shade, demonstrations, farmer-health resources. No sales pitch at the door.
- **Rural & Remote Info Hub** — this website: guides, suburb pages, PDFs. Nothing requires a marketing subscription.
- **Advocacy** — document gaps in aggregate. LEO satellite is one option, not a replacement for fibre, mobile or fixed wireless.

Indicative 2026–27 pathway

Nov 2026 Korumburra Sheepdog Trials · Jan 2027 Lang Lang Show · Feb 2027 Korumburra Show · Mar 2027 Warragul Show and Farm World (Lardner Park) · Apr 2027 Bunyip Show. Dates subject to host confirmation.

Pathways we are testing (alignment only)

Look Over the Farm Gate; Regional Events Fund Stream 3; On Farm Connectivity Program Round 3; FRRR Strengthening Rural Communities. Not a claim of approval or eligibility.
